## Resources for Environmental Management of Pediatric Asthma

### Educational Resources for Health Care Providers:

#### Case Studies

- Agency for Toxic Substances and Disease Registry. *Case Studies in Environmental Medicine: Environmental Triggers of Asthma*. Expiration date: March 31, 2005.  
<http://www.atsdr.cdc.gov/HEC/CSEM/asthma/>
- American College of Preventive Medicine and the Agency for Toxic Substances and Disease Registry. *Case Studies in Environmental Medicine: Pediatric Environmental Health; Environmental Triggers of Asthma*. 2003.  
<http://www.acpm.org/ehealth/pediatrichealth.htm>
- Mid-Atlantic Center for Children's Health and the Environment Pediatric Environmental Health Specialty Unit. *Indoor Mold Exposure - Effects, Recognition, and Management*.  
<http://www.health-e-kids.org/> (Click on the Providers link on the left to find resource)
- Mid-Atlantic Center for Children's Health and the Environment Pediatric Environmental Health Specialty Unit. *Molds Case Studies and Overview of Molds*.  
<http://www.health-e-kids.org/> (Click on the Tutorials link on the left and scroll down to find resource)
- Children's Hospital of Philadelphia Community Asthma Prevention Program Case Study  
<http://www.epa.gov/asthma/pdfs/chop.pdf>

#### Continuing Education Modules

- Centers for Disease Control and Prevention. National Asthma Training Curriculum. (Accredited for CME, CNE, CECH, CEU)  
<http://bookstore.phf.org/prod366.htm>
- Environmental Protection Agency. *Ozone and Your Patients' Health: Training for Health Care Providers*.  
<http://www.epa.gov/O3healthtraining/>
- American Academy of Allergy, Asthma & Immunology. *Environmental Management of Asthma course*. (Accredited for CME, CE, and CCM; Expiration date: December 31, 2005)  
[http://www.aaaai.org/members/cme\\_ce/environmental\\_management/notice.asp](http://www.aaaai.org/members/cme_ce/environmental_management/notice.asp)

- American Academy of Family Physicians. *Asthma in Children Lecture*. (Accredited for CME)  
<http://www.aafp.org/x29666.xml>
- American College of Preventive Medicine and the Agency for Toxic Substances and Disease Registry. *Asthma Prevention in Children session*. (Accredited for CME)  
[http://www.acpm.org/ehealth/asthma\\_children.htm](http://www.acpm.org/ehealth/asthma_children.htm)
- Medscape. *Pediatric Asthma Care Enrichment* (Accredited for CME; Expiration date: November 24, 2005)  
<http://www.medscape.com/viewprogram/3613?src=sidesearch>.
- Mid-Atlantic Center for Children's Health and the Environment Pediatric Environmental Health Specialty Unit. *Ozone: naturally occurring stratospheric molecule*.  
<http://www.health-e-kids.org/> (Click on the Tutorials link on the left and scroll down to find resource)
- National Jewish Medical and Research Center. *Strategies and Challenges in Asthma: Diagnosis, Treatment, and Management and Diagnosis and Treatment of Asthma: Highlights from the Core Curriculum Conference*. (Accredited for CME and CE)  
<http://www.breatheworkplay.com/cmeactivities.html>
- The Association of Occupational and Environmental Clinics. *Environmental Health Effects of Ambient Air Pollution*. 1991.  
<http://www.aoec.org/resources.htm> (Click on the Peer-Reviewed Modules link on the right and scroll down to find module)
- The Association of Occupational and Environmental Clinics. *Indoor Environmental Quality: A Continuing Medical Evaluation Lecture Module for Clinicians*.  
<http://www.aoec.org/resources.htm> (Click on the Peer-Reviewed Modules link on the right and scroll down to find module)

## Presentations

- Environmental Protection Agency. *Controlando los Factores del Asma*. Spanish language video describing common environmental asthma triggers found indoors and out. EPA product #402-C-04-003 (DVD) or 402-V-04-002 (VHS).  
<http://www.epa.gov/asthma/publications.html>
- American Academy of Pediatrics. *Pediatric Asthma Speaker's Kit*.  
<http://www.aap.org/sections/allergy/pe.cfm>
- California Air Resources Board. *Health Update: Ozone Generators Sold as "Air Purifiers"*. January 20, 2005.  
<ftp://ftp.arb.ca.gov/carbis/research/health/healthup/jan05.pdf>

- The Association of Occupational and Environmental Clinics. *Impacts of Criteria Air Pollutants on the Respiratory Health of Children*. August 01, 2000.  
<http://www.aoec.org/resources.htm> (Click on the Downloadable Powerpoint link on the right and scroll down to find presentation)
