The National Environmental Education & Training Foundation

Resources for Environmental Management of Pediatric Asthma

Non-Governmental Organizations: Below is a list of organizations that have general websites about asthma for health care providers and/or patients. Organizations that have specific resources related to environmental triggers of asthma, but do not have general websites about asthma are not listed here. Those resources are listed under professional and/or patient resources.

Allergy and Asthma Network Mothers of Asthmatics, Inc.

<http://www.aanma.org/>
