

Key Resources on the Web

EXTONET (The Extension TOXicology NETwork)

<http://ace.orst.edu/info/extoxnet>

Clinical information on most pesticides currently registered in the U.S.

Material Safety Data Sheets

<http://www.ilpi.com/msds/index.html>

Provides links to MSDSs on the Internet and references for MSDS sources not on the Internet.

National Pesticide Telecommunications Network

<http://nptn.orst.edu>

Public access to pesticide information; supported by EPA.

(800)858-7378 (M-F, 8 am-6 pm CST)

ToxFAQs

<http://www.atsdr.cdc.gov/toxfaq.html#-P->

Summaries on hazardous substances developed by the ATSDR Division of Toxicology. Information for this series is excerpted from the ATSDR Toxicological Profiles and Public Health Statements. Each fact sheet serves as a quick and easy to understand guide. Answers are provided to the most frequently asked questions (FAQs) about exposure to hazardous substances found around hazardous waste sites and the effects of exposure on human health.

Medical Management Guidelines for Acute Chemical Exposures

<http://www.atsdr.cdc.gov/mmg.html>

Developed by ATSDR to aid emergency department physicians and other emergency health care professionals who manage acute exposures resulting from chemical incidents.

Pesticide Health Effects on Humans

<http://pmep.cce.cornell.edu/facts-slides-self/facts/gen-posaf-health.html#anchor242227>

Provides symptoms of acute and chronic exposure to specific classes of pesticides. Developed by Cornell University's Pesticide Management Education Program.

National Antimicrobial Information Network

<http://ace.orst.edu/info/nain/>

Provides links to fact sheets summarizing toxicological data/environmental chemistry for antimicrobials. Cooperative program between Oregon State University and the U.S. Environmental Protection Agency.

CDMS Home Page

<http://www.CDMS.net/pfa/LUpdateMsg.asp>

Pesticide labels and Material Safety Data Sheets. Files can be searched by either product (trade) name or common (generic) name. Uses files submitted by pesticide product manufacturers and distributors.

Pesticide Information Center On-Line (PICOL)

<http://picol.cahe.wsu.edu/>

Directory site sponsored by Washington State University, Tri-Cities campus.

PestWeb

<http://www.pestweb.com/>

Industry-sponsored listing of state pesticide regulatory agencies and other pesticide information.

U.S. Environmental Protection Agency, Office of Pesticide Programs

<http://www.epa.gov/pesticides> -- EPA science and regulatory information on pesticides.

<http://www.epa.gov/pesticides/safety> – covers Worker Protection Standard, initiative on pesticides and health care providers.

<http://www.cdpr.ca.gov/docs/epa/epachem.htm> – database of chemical ingredients in pesticides

Environmental Health Information Service (EHIS)

<http://ehis.niehs.nih.gov/>

USACHPPM Entomology

<http://chppm-www.apgea.army.mil/ento/index.htm>

Homepage for the entomological sciences program for the US Army. Offers MSDS information for a variety of pesticides.

California Environmental Protection Agency, Dept. of Pesticide Regulation

<http://www.cdpr.ca.gov>

Information on California regulation and wide linkage to other websites

Washington State Pesticide Page

<http://pep.wsu.edu/>

Information on Washington State pesticide use and some general information on pesticides.

NIOSH Agricultural Safety and Health Centers

<http://www.cdc.gov/niosh/agctrhom.html>

Pesticide Action Network of North America

<http://www.panna.org/panna/>

Promotes ecologically sound practices in place of pesticide use.
