

Hot Potato with the Sun

ESTIMATED TIME

Educator's discretion

SUPPLIES

- ✓ Ball (preferably yellow)
- ✓ Music

DIRECTIONS

Have the students make a large circle and pretend the ball is the sun. Students pass the ball to each other as music plays. When the music stops, the student with the ball should say one way to protect themselves from the sun. For more SunWise tips, please see the *Sun Wisdom* section of the tool kit.

Students should do the SunWise Word Search supplemental activity located in the back of the K-2 section of the tool kit as a follow-up to this activity.
