STOP
GLOBAL
WARMING

WHY AREN'T WE?

TREAT YOUR PLANET LIKE YOU WANT TO BE TREATED

Earth Day 2024, a project by students of Design for Social Change (course creation and creative direction: Adrienne Leban, Faculty BFA Design, the School of Visual Arts, NYC, <http://www.sva.edu>), done for the National Environmental Education Foundation, www.neefusa.org, with support from Samsung Electronics America. Designer: Abigail Sandoval
