

GARBAGE IS GOOD!

TRANSFORM TRASH INTO TREASURE

Why compost?

- **Reduces food waste**
- **Reduces dependence on landfills**
- **Decreases greenhouse gas emissions**
- **Recycles essential nutrients**
- **Promotes a strong soil ecosystem**

What can you compost?

- **Most fruit and vegetables scraps**
- **Coffee grounds**
- **Paper filters**
- **Plain paper wrappers, boxes, and bags**
- **Crushed eggshells**
- **Tea bags without staples**
- **Yard waste (twigs, leaves, etc.)**
- **Other organic matter**
