

TOGETHER WE CAN BEAT THE HEAT

WE CAN CREATE THE WORLD WE WANT

STOP GLOBAL WARMING
SAVE THE EARTH NOW

Earth Day 2024, a project by students of Design for Social Change (course creation and creative direction: Adrienne Leban, Faculty BFA Design, the School of Visual Arts, NYC, <http://www.sva.edu>), done for the National Environmental Education Foundation, www.neefusa.org, with support from Samsung Electronics America.
